HEALING +

I've had arthritis for over 7 years since 2018 while I was in the university. The pain is very intense whenever I am walking long distances and the issues of arthritis has been in my family. My mum also had it. On the 3rd Friday of VOD 2025, Papa mentioned my case and I keyed into

his declaration believing God for healing. The next day being Saturday I took a long walk and did not feel any pressure or pain on my knee cap like I usually felt. Since then, every pain and sign of arthritis is gone. Praise God!!

DELIVERANCE +

15 years ago, my younger brother went with me to the river market to purchase some fishes for my business. Earlier that day, I had a feeling to leave him at home that day; but because I needed him to help me carry some goods, I brought him to the market with me. While I was busy at the market arranging my goods, I noticed an entity came out of the river and walked into my brother. From that day, my younger brother became mentally incapacitated. I took him to different hospital and churches and at a point I gave up because nothing seemed to be working. As the years went by, his mental health deteriorated so badly that we had to put him in chains. Sometimes he would become so enraged that he would break free from the chains and go missing for days. When he eventually returned home, he would often come back stark naked. He couldn't feed himself properly and will stay for weeks without having his bath. In April 2025, a sister from my village who is a member of Gateway invited me to church. I came for a Sunday service and from

there I reconnected with God and shortly after, I joined the Prophet's Army department in church. Throughout that period I was praying and trusting God for the healing of my brother. On the first night of Vigils of Destiny 2025, Papa gave a word of knowledge concerning my brother and prayed for him. Papa gave me his mantle and asked us to place it on his head always. By Saturday morning after the program we started noticing changes in my brother. He started taking his bath by himself without being forced or reminded. He fed himself well, recognized family members and started dressing properly. The erratic moods stopped. One morning we thought he had gone missing, unknown to us he was in church praying. We didn't believe him when he came home and told us he had been at the church. A member of the church that saw him in church that morning confirmed his story. I give God all the Glory for an amazing healing and deliverance. This Thing Works!!

SUPERNATURAL DELIVERANCE

I was married for 13 years before I left the marriage. Prior to my leaving, I had serious attacks and miscarriages in the marriage. Due to these miscarriages, I had my daughter after 10 years of marriage. After I had my daughter, it was as though the attacks got worse so I decided to leave. 6 months after I left the marriage, my husband brought another woman into our matrimonial home. At this time, I wasn't a member of Gateway. In 2022, I had a dream where a young lady told me to attend GIC; and that my miracle will come to me if I joined the church. In December of 2022, I joined Gateway International Church, believing God for a visitation. In 2023 I had another dream and in that dream; Papa gave me a bunch of keys and asked me what I wanted. I told Him that I want to go back to my marriage and that I want a baby boy. He told me "The God that helped me will help you". On the last Friday of VOD 2024, Papa gave a word of knowledge about entering people's foundation. He described a 2-storey building that is

exactly like my father's house. I fell under the anointing and went into a trance. In the trance, I saw myself walk out of a tree with seven other women. I came out carrying a baby boy wrapped in a George-wrapper and I was ushered into my husband's house. Few months later, my husband divorced the lady he married after I left and came back to me. To the Glory of God I am back in my husband's house. This Thing Works!!

HEALING

In 2023 I started having irregular menstruation. I went to the hospital the doctor said there was nothing wrong with me. I ran some tests and the tests also confirmed there was nothing wrong. In December 2024, I had my last period which lasted for 15 days and after that I didn't see my period again for 6 months. I visited the hospital again and this time I was diagnosed with Polycystic Ovary Syndrome (PCOS) now Polyendocrine Metabolic Ovarian Syndrome (PMOS). The doctor prescribed some medications for me to take and I started taking them but there was no change. I came with my test

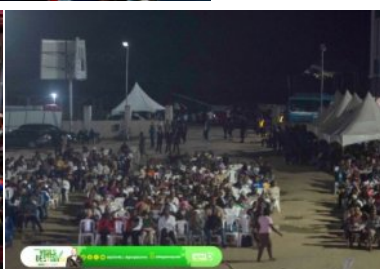

results on the 2nd night of the Vigils of Destiny 2025 and that night Rev. Ntia Ntia asked people that came with their medical report to come and touch the altar with it and he prayed over it. I came out and did that. After that night my period finally came out for the first time in 6 months and it came out without pain. This Thing Works.

HEALING

I have come to return all glory to God. In 2024 I saw the billboard advert for Vigils of Destiny 2024 in Oyigbo and I decided to attend the program. For six months before I attended the program, I had been experiencing a hot sensation inside the bone of my left leg. Doctors could not give a proper diagnosis, and I had been managing it since then. On the 3rd night of VOD 2024, my case was mentioned and I keyed into the word of knowledge and declarations made. From that night till today which is exactly 1 year, I have not had that hot sensation, and I am completely whole. God is a good God.

HEALING

In 2016, I discovered a lump on both sides of my breast and I was go for a surgery to remove it before it becomes cancerous. I didn't want to do the surgery because in the past, 5 (five) members of my family had undergone same surgery but ended dying from it. I decided not to remove mine and hang on to God and the covenant in this house and I told myself “I won't die like them”. On the first Friday of Vigils of Destiny 2025, Papa mentioned my case and said “A lady called Beauty, two lumps in your breast are gone now”. I came out and Papa laid hands on me. I kept checking myself while in church and by the time I got home I noticed the lumps had disappeared. I return all Glory to God for Divine Healing.

○ **MERCY NWOSU**

SUPERNATURAL DELIVERANCE

For over 5 years, I've had a strange presence following me everywhere I go. It was so bad to the point that whenever I was sleeping I could feel a hand chocking me physically but when I wake-up, I don't see anyone. During the Vigils of Destiny 2024, on the second Friday while Rev. Ntia Ntia was ministering, He rebuked a demonic presence following someone and I keyed into that word and since that night the strange presence has disappeared, I no longer have strange encounters at night. I return all Glory to God. This Thing Works!!

○ **SAAIOR JAMES**

DIVINE HEALING

In 2022, while visiting a friend in Benue State, I unknowingly stepped on poison. As soon as I put on my shoe to leave his house, I felt a sharp, severe pain in the heel of my left foot. The pain was so bad that I could not stand or move for a few minutes. I was then told that I had stepped on poison. When I was finally able to walk, my friend took me to a traditional healer. The herbs he gave me helped, but only for a little while. In 2023 I had to go back to another traditional healer because the pain kept coming back and due to the nature of my job as a mechanic I could not function effectively. Sometimes I would have to put my body in a certain way to find relief from the pain. Even after the visit to the traditional healer the pain persisted until July 2025. In July 2025, that same friend invited me for the Vigils of Destiny program, He promised me that God would heal me there. I didn't really want to go, but I decided to gibe it a try. On the first night of the vigils, as the Lead Pastor was ministering and people were sharing testimonies, I asked God to remember me through the man of God. Suddenly, He mentioned my case and where I was standing; I started stamping my left foot on the ground and the next thing I knew I was jumping excitedly. The people around were surprised but only I knew what God had done for me. God took away 3 years of pain in one meeting, I went home healed. Praise God.

● KILSI SAM-VIKO

DIVINE HEALING

Two years ago I started experiencing severe abdominal pains. I went to the hospital and the doctors said it could be ovarian cyst but I went for a confirmatory scan at BMH and the doctors did not see anything in my abdomen. The pain persisted to the point I could barely use the toilet. About a year after the pain started, I collapsed one day in the office and was rushed to the hospital. At the hospital, the doctor still could not detect the exact cause of the pain even after series of tests and scan. On the second Friday of VOD 2025, Rev. Ntia Ntia ministered and after the service; for the first time in two years, I used the toilet without any pains. God healed me in that service. Praise God.

○ MRS FREDRICK RUTH

DELIVERANCE AND FRIUT OF THE WOMB

Few days before my wedding in 2023, I woke up to a physical cut on my stomach that was bleeding. I cleaned it up and went ahead with my wedding plans. After the wedding my husband and I decided to start trying for a child but every attempt ended up with a false pregnancy. My stomach at a time gets big but when I go for scan, no fetal heart beat will be found but test results kept coming back positive for pregnancy. After a while, my stomach will shrink back to normal like it was never swollen. During the 2nd night of the Vigils of Destiny 2024 while Rev. Ntia Ntia was ministering he said "There are some persons carrying things that are not supposed to be inside them. I command those entities to leave their bodies now". I keyed into that word of knowledge and immediately I felt a moving sensation in my stomach. When I got home on Saturday morning after the vigil, I went to use the toilet and I passed out something covered in blood. That same month I took in and today I have my baby with me. God is a good God. This Thing Works.

○ FAVOURITE OGHENEFEJIRO

HEALING

I had a surgery and two months after the surgery I had some complications, I noticed a swelling on the surgical site. I told my mum, we called the doctor and we were told to come back to the hospital. We went to the hospital and I did a test and the doctor said I would have to come back in 2 months for another surgery. This was to enable my body heal properly from the previous surgery. While I was waiting for the surgery, the swelling on the surgical site kept increasing accompanied with terrible pains. During this period the Vigils of Destiny was going to begin and I decided to attend even with the pain. On the first night of the VOD as Papa was ministering, He gave a word of knowledge and I keyed into it. He said "Someone with a swollen stomach and terrible pain, the Lord is healing you now." Immediately, I felt a sensation in my body and when I checked the swelling and the pain around the surgical site had disappeared. God healed me instantly and there was no need for another surgery. Praise God!!

○ JOY SMART

DIVINE PROVISION

I am returning all glory to God for being my source. On the last Saturday of the VOD rally June 2025, I was with the Choba to Location team. When we got to Location junction the adapter to the sound control got burnt and our music stopped playing. We started contemplating on what to do and I told our team leader that I knew where we could get a new one at Ozuoba and he gave me 4,000 naira to go and get it. When I got there the man

said it was 35,000 naira but would let it go for 30,000 naira. I had just 35,000 naira in my account which I wanted to use for my weekly upkeep, but I decided to let it go. I bought the adapter and we continued the rally. That same afternoon, an old friend of mine called me and sent me 500,000 naira, without me asking for it, on Monday of the following week another friend who has been promising to help me financially also called and sent me a huge amount of money also. I was so overwhelmed because I couldn't believe a seed of 35,000 naira could bring so much Favour from God. This Thing Works!!

PRAYER OF SALVATION

Hello Dear, I believe you desire to know God and enjoy his help in your journey of life. God also wants to have a great relationship with all of us.

Jesus Christ came to reveal God to us and to bring us into a relationship with him. Only Jesus can remove the barrier of sin, that stands between us and God. He died to pay the price for our sins.

Jesus also has the power to transform our lives and bring us into the inheritance of the children of God. When we receive Jesus Christ into our lives, we become members of the family of God in this life and in the life after this life!

It is quite easy to receive Jesus into our lives; we just invite him through simple prayers!

Let's pray:

"Jesus, I believe that you're the son of God and you died for my sins. Come into my life. Cleanse me from all sin. Make me a new person. I will follow you for the rest of my days! Amen!"

Praise God! **You are now a child of God! The walk with God has officially begun.**

Now do these 3 things:

1. **Get a bible.** Read and memorize these passages: Jn. 1:12; Jn. 5:24; Rom. 10:8-13. They will give you the assurance that God has accepted you as His child!

2. Testify about your salvation! **Call the Gateway International Church lines listed here** and testify, then tell someone close to you who you know to be a true Christian; then tell a friend and family members!

3. **COME TO CHURCH!** Look for any bible believing church in your neighborhood to worship there or preferably locate any of the GATEWAY CHURCHES listed here and worship there!
